EXPERIENCE

- **Wabi Sabi**, 143 SW Century Dr, Bend, OR 97702
Clerk and Pokemon Activity Leader

Spring 2020 - Spring 2017

My work at Wabi Sabi involves being a clerk and helping customers with common questions as well as ordering, restocking, and counting money for the store, and an Activity Leader who works with parents and kids, showing them the basics of a popular Pokemon card game.

- **Redmond School District**, 145 SE Salmon Dr, Redmond, OR 97756
IT Intern

September 2019 - June 2019

Over the summer I was asked to work as an IT intern for the school district. We set up computer labs, worked on networking, reboot systems, and uploaded computers to the district mainframe. I worked in a team of four to complete tasks that were assigned to us. We had to troubleshoot many situations dealing with the computers we worked with.

- **Albertsons**, 1800 NE 3rd St, Bend, OR 97701
Deli Clerk

Present - July 2020

As a Deli Clerk, I work with customers to provide quality slices of meat and cheese. I also prepare food through the use of baking and frying. Staying clean is a top priority when I am working with food.

EDUCATION

- **Oregon State University-Cascades**, 1500 SW Chandler Ave,
Bend, OR 97702
College Freshman

Present - September 2020

Starting on my way to a computer science bachelor's degree.
